TRADITION - SAFETY - VALUE

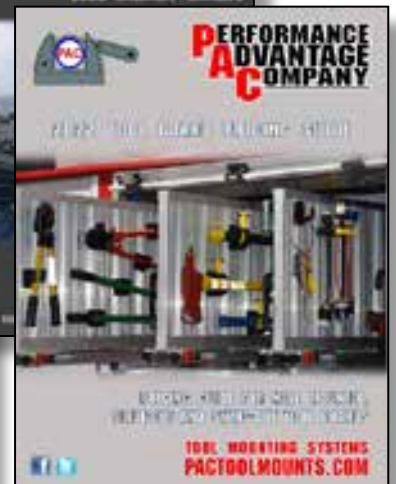

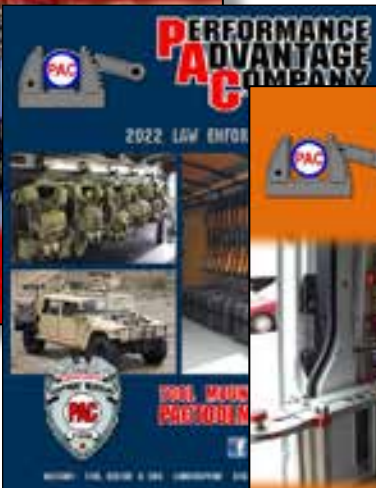

TRADITION - SAFETY - VALUE

In the past 25 years PAC has grown from the basement of company founder Dick Young to an operation with over 600 points of distribution in North America and sales in 30 countries around the globe. All this based on the concept of offering Top Quality products combined with the very best Customer Service. The cornerstone of all this is based on our outstanding staff members. They are committed to giving our customers the very best in assistance and overall customer service.

Our history of innovation and our collective experience guide PAC to create products to outlast and outperform. You can expect high quality and value when purchasing PAC products. We are highly recognized in the industries we serve for our attention to detail and overall customer service. Additionally, PAC products are tested to the highest standards and are compliant with National Fire Protection Association (NFPA) 1901 standards and MIL-S901D military shock specifications. And PAC offers a LIFETIME WARRANTY! If any PAC product fails under normal use it is replaced, free of charge.

In recent years we have grown beyond the Fire Market. We have applied our tool mounting knowledge to customers in Law Enforcement, Towing and Tow Vehicles, Homeland Security, Public Utility and the Green Industry, too. Check us out today!!

For PAC Brackets - Contact us to request one of our Market Specific Catalogs!

PACTOOLMOUNTS.COM

To All PAC Dealers, Distributors and Customers -

Thank you for your support of PAC products! Our staff is here to support first responders and all our partners around the world. Let us help with product selection and custom board design.

Did you know? PAC is rooted in the U.S. fire industry, but our users span several additional industries in over 30 countries. Other markets include landscaping, towing and law enforcement to name a few.

PAC has several new products and new industry specific catalogs, too. PAC is very excited to showcase our new items for the law enforcement, utility, and fire industries!

Continuing in 2022, our domestic suppliers have become affected by two main challenges: **labor** and **material shortages**. This is affecting PAC & all industries across the nation. PAC continues to closely monitor lead times, quality, and production schedules.

We see strong demand ahead. In all industries, the need to organize trucks isn't going away! PAC anticipates these needs and maintains stock levels for these upcoming orders. The situation is very fluid, however. As of this writing, few product shortages exist! Please call us with any concerns on availability.

As a result of these challenges, all manufacturers are facing **elevated costs**. PAC has implemented price increases, effective January 1st, 2022. Contact us for your latest pricing.

Finally, meet the PAC staff at FDIC 2022! PAC customer service staff is excited to meet you in person in 2022!

Greg Young
VP, Performance Advantage Co.

TESTING AND CERTIFICATION

A variety of PAC products are tested and certified to meet and exceed the NFPA 1901 9G impact standard. PAC's NFPA Compliant products have been Tested and certified at the Akron Rubber Development Laboratory, Akron, Ohio.

For a list of our 9G Certified Products
or a copy of PAC's Certificate of Compliance,
please contact us at 888-514-0083.

PAC REGULARLY DISPLAYS OUR PRODUCT LINES AT THE TOP INDUSTRY SHOWS! SOMETIMES WE JUST GO TO SHOWS TO MEET PEOPLE LIKE YOU. PAC PRODUCTS CAN ALSO BE SEEN AT THE BOOTHS OF OUR DEALERS AND CUSTOMERS. IF YOU WANT MORE INFORMATION ABOUT SEEING PAC IN PERSON OR BECOMING A PAC DEALER, PLEASE CALL 888-514-0083!

BASE COLOR BLACK	PRODUCT NUMBER K5016
MOUNTING HARDWARE (INCLUDED)	FLAT SURFACES PAC TRAC
MOUNTING HARDWARE (OPTIONAL)	REFER TO PAGE 46 – INSERTS & CHANNEL NUTS
PRODUCT WT. DIMENSIONS	2 lbs 7.75" L x 4.31" W x 18.25" H

MSRP: \$139.95

The Spanner/Hydrant Wrench Mount secures spanner and hydrant wrenches in a compact space. The bracket is compatible with most brands, models, and materials of spanner wrenches. The spanner wrenches simply hook over and snap in place. The hydrant wrench requires the handle to be placed through the ring mount first, then the head is placed over the hook and snapped into the Mini Loks to secure. The bracket will hold hydrant wrenches with a handle diameter up to 7/8" and a weight up to 5lbs. All the components of the bracket can be adjusted to suit the users preference.

- Durable and secure
- Can be mounted horizontal or vertical
- Rugged injection molded components made from high quality materials
- Weather, UV resistant
- Non-conductive mounting surface
- Stainless Steel Hardware included.
- Adjustable components for hydrant wrench
- Certified 9G shock test using standard tools
- Accommodates standard hydrant wrench handle lengths from 12"-16" long

STRAP COLOR BLACK YELLOW ORANGE	PRODUCT NUMBER K5025-B K5025-Y K5025-OR
MOUNTING HARDWARE (INCLUDED)	FLAT SURFACES PAC TRAC

The PAC TRAC Family of products are designed to provide a unique and versatile mounting surface for tools and equipment.

PAC TRAC boards have special grooves or channels which allow the assembly of tool boards and the mounting of brackets and equipment.

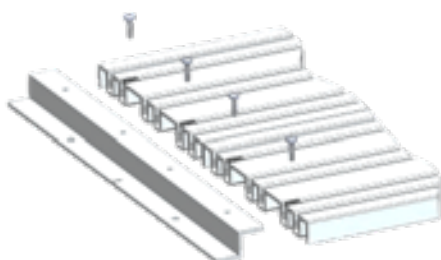

PAC TRAC boards are extruded from 6063-T5 aluminum and available in standard lengths of 50", 70" and 120". Boards are available in width increments of 3-3/4", 5-3/4" and 8-5/8".

The Pac Trac family of extrusion is NFPA 1901 Impact G Force & MIL Grade B certified as a mounting structure for testing tool brackets.

ASSEMBLY METHODS

Assemble tool boards with **Z-Mount** (P/N 7001 and 7001D)

Z & U Channel Kits come in pairs **AND** include hardware. Choose your board type and the number of sections. There is a corresponding frame kit to make your custom tool board assembly simple!

Assemble double sided tool boards with **U-Channel** (P/N 7009)

ATTACHMENT METHODS

SCREW MOUNTING WITH Z-MOUNT

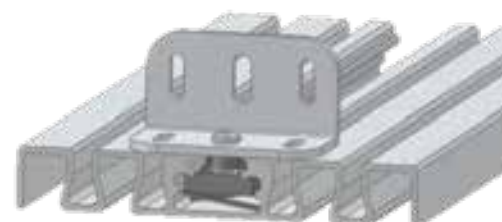

TOOLBOARD ASSEMBLIES

BRACKET MOUNTING METHODS

Trac Lok Inserts (P/N 7016)

PAC brackets can be installed without drilling holes. Brackets can be relocated, removed or re-oriented easily. Brackets are attached to PAC TRAC products with PAC Trac Lok inserts or optional PAC channel nuts*. For heavy duty applications use optional Steel Uni-Strut channel nuts*.

Channel Nuts (P/N 3023 & P/N 3024)

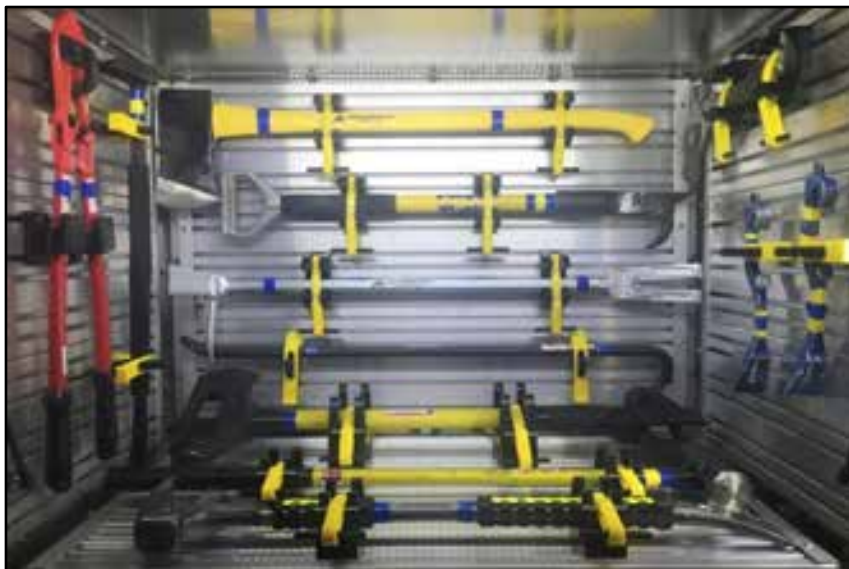

* Mini(7050), Dual(7020) & Double Dual Trac (7040) only

PAC Trac tool boards provide quick, secure installation of brackets, all without drilling holes. Uses lab tested special high strength fasteners to cleanly and effectively mount your tools. PAC Trac's permitted uses include horizontal or vertical slide-out tool boards, swing out tool boards and adjustable self-supporting shelving among other items.

Call our specialists

PERFORMANCE ADVANTAGE CO.
10 WEST MAIN STREET
LANCASTER, NY 14086**

Our building houses the Greater Lancaster Fire Fighting Museum. We are dedicated to preserving the Fire History of Lancaster, NY. The newest exhibits feature two companies from Lancaster, NY; fire fighting innovators - Young Fire Equipment and Scott Aviation!

Jerry would be glad to give a tour!
Email Jerry@pactoolmounts.com.

The museum also sponsors the hugely popular Lancaster Christmas Fire Truck parade.

PAC was founded on the experience of Dick Young, former President of Young Fire Equipment. His experience and innovation in the Fire Truck market is what makes PAC Tool Mounts superior. Our knowledgeable team has lifetimes of experience in the Industry. Our passion shows in our proven designs.
